

PRAY WITH US

The prayers, gifts and work of many can make tremendous tasks possible!

Please join us in prayer throughout 2024 for the following:

Praise Him for the **NEW MINISTRY OPPORTUNITIES** Through Reach 2023

- Extended longevity of ministry at SH Campus (Roof, Lobby & Worship Center upgrades)
 - Created more engaging environments to draw younger generations & families to learn about Jesus (SH Children's Lobby & Indoor Playground upgrades)
- Expanded community outreach (i.e., new sport open gyms) & saw continued Upwards engagement (~700 kids/50% unchurched), utilizing the new SH FLC Gym Floor
- Enabled ministry around the globe with special focus in Panama, Thailand & Kenya
 - Paid our debt in full to be more available to whatever God calls us into next

Praise Him as We **CELEBRATE 60 YEARS** of Ministry

- For all the life transformation that He has accomplished here over the last 60 years
 - For those who came before us and faithfully stewarded their time, talents and treasures to build God's kingdom in and through the ministries of The Bible Chapel
- For those who will come after us and that we may be engaged in stewarding our time, talents and treasures to leave our church even better off for future generations

Pray for **WISDOM & GUIDANCE** As We Prepare for a Future Campaign

Pray that the Lord would be with our Elders and staff as we discern a future Reach campaign

Pray for the Needs in Our **COMMUNITIES**

Pray for the next generation and the impact we could have there, as well as each Campus community we serve (Robinson, Rostraver, South Hills, Washington, Wilksburg)

Pray for the Needs in Our **CITY**

Pray that the lost in our city are reached for Christ, and for guidance in how we will be most effective in equipping our congregation to be a light for Christ

Pray for the Needs in Our **WORLD**

Pray for the Pastors nationally and globally who are lacking training and support, and how we – as a church and individually – can support God's Big "C" Church and our Global Ministry partners and their ministries all over the world

REACH 2023 MARCH UPDATE

Thank you so much for partnering with us on this journey of *building foundations for the future* through your generous giving to Reach 2023. **We raised a total of \$3.76M** and have been able to act on many significant ministry projects. Here is a broad overview of what we were able to achieve under each category of the campaign. Praise God for His provision!
