

VOLUNTEER IN TECH ARTS

Do you enjoy serving but prefer to do it behind the scenes? Do you have a passion for technology, videography, or sound mixing? Then come join our Tech Arts team where we lead from behind! Each weekend, we serve the church by operating camera equipment, working in the sound booth, helping to stream services, operating lighting equipment, and more. No experience is required to join our team - just a heart for serving! If you would like to learn more about how you can help lead from behind, email techarts@biblechapel.org.
