CAMP LIGONIER

A three-day, two-night retreat where students grow in their relationship with God and others.

THEME: BASIC TRAINING

This year at Bootcamp, we will be looking at what it truly means to be a Christian and go back to the simple “Basics” of our faith. We will be looking at who Jesus is, how to apply God’s word to our lives, our identity in Christ, and how we are called to be different.

LODGING ARRANGEMENTS

Students will be in typical camp styled sleeping rooms. It will be a large room with roughly 6 bunkbeds. Your student will be with 10 other students of the same age range & gender. 2 Leaders will be in the rooms with students. You may request your student to room with someone, but it is not guaranteed.

WHAT ABOUT PHONES?

We want students to be free from all distractions to fully focus on God. For that reason, we ask that all students leave their cell phones at home. All phones found will be held in a safe place until pickup. All leaders will have their phones on them at all times in case of an emergency. Please note that our desire is not to create separation between students and their parents. For that reason, a student is free to use a leader’s phone at any time to call their parents. Also, parents will have the number of their student’s leader just in case they need to reach their student.
