## PANAMA

## their story

Luis was raised by separated parents. In 1986, when Luis was 12, a pastor visited his house and shared the Gospel with him. That day, Luis accepted Christ as his personal Savior. His involvement with Word of Life began in 1992 when he met missionaries from the organization.

Nedelka was also raised by separated parents. She grew up with her father and six brothers. In 1991, when Nedelka was 11, her older brother shared the Gospel with her and she received Christ.

Luis and Nedelka were married in 1997. In 2003, God led them to the Word of Life Institute in Argentina, where they studied for three years, getting grounded in Scripture, training for ministry, growing in their faith, and enriching their marriage.

In December of 2006, the Canos returned to Panama to serve God with Word of Life. The focus of their ministry is evangelism, discipleship, and leading Bible clubs and camps.

In 2013 they took in two girls, Marcia and Janeth, from ANA Panama's transition home. The arrangement was originally temporary, but the following year Luis and Nedelka committed to providing a permanent home for the girls.

# MARCH 2023

## PRAISE + + +

- + His grace and mercy in our lives.
- + His Care and protection.
- + For allowing us to serve in the last week and a half of the "Chame 2023" camping season. Luis had the opportunity to share the gospel and preach at the campfire.
- + After two years of not being able to have face-to-face camps in the summer, this 2023 could be carried out with an attendance of 751 campers, of whom 409 said they received Christ and 512 consecrated their lives.
- + Marcia is in the South of Argentina on her vacation, after having helped in the camp in the kitchen area.

## PRAYER > > >

- > Fidelity and holiness.
- > Complete health for Luis.
- > Strength for Nedelka and the whole family.
- > Guidance and wisdom for the different doctors who treat Luis.
- > On January 18, they performed an outpatient operation that did not give the desired results, although it is not something to alarm us either. They asked me to perform an exam that reflects the situation, which I was able to do, and it reflects that everything is fine to continue trying a graft. With this graft I will be able to have dialysis in a more comfortable and healthy way.
- > Continue raising our level of support from 70%, we are at 76%, our wish to reach 100%.
- > Plane ticket for Marcia. She will be back in Panama in April. We do not have this money.
- > Being able to take advantage of opportunities to testify of Jesus.
- > The prompt delivery of our own home
- > Being able to replace our car with a larger one for the ministry.
- > Provision so that our disciples Christopher Rodriguez and Abel Herrera can raise the necessary support to enter the Argentine Word of Life Biblical Institute.
- > Maria Herrera is raising support for her third year at the Palabra de Vida Argentina Biblical Institute. She is already at 74%.
