

## meet the CANOS

## PANAMA

## their story

Luis was raised by separated parents. In 1986, when Luis was 12, a pastor visited his house and shared the Gospel with him. That day, Luis accepted Christ as his personal Savior. His involvement with Word of Life began in 1992 when he met missionaries from the organization.

Nedelka was also raised by separated parents. She grew up with her father and six brothers. In 1991, when Nedelka was 11, her older brother shared the Gospel with her and she received Christ.

Luis and Nedelka were married in 1997. In 2003, God led them to the Word of Life Institute in Argentina, where they studied for three years, getting grounded in Scripture, training for ministry, growing in their faith, and enriching their marriage.

In December of 2006, the Canos returned to Panama to serve God with Word of Life. The focus of their ministry is evangelism, discipleship, and leading Bible clubs and camps.

In 2013 they took in two girls, Marcia and Janeth, from ANA Panama's transition home. The arrangement was originally temporary, but the following year Luis and Nedelka committed to providing a permanent home for the girls.

## SEPTEMBER 2022

### PRAISES + + +

- + For the grace and mercy of God on our lives.
- + We thank God that Janeth is with us. We are calmer and we are orienting her to enter the university. We are showing her God's unconditional love. Pray for her spiritual relationship with God.
- + We thank God that Marcia was able to do ministry with the "Children's Show". She visited the provinces of Buenos Aires, Córdoba. Pray for wisdom as she must decide if she comes back in December or April. We are really doing an experiment by allowing her to make her own decisions and managing her money.
- + For the life of Nedelka. May she keep her mind and heart strong, this is a stage when she is managing several things together, with the return of Janeth, my health, and monitoring Marcia from a distance.
- + For being able to continue evangelizing, discipling, teaching within what God allows us to do in this period.
- + For being able to carry out the "Meeting + 18" of young people in the month of September.
- + For being able to participate in evangelism in the province of Colón.
- + We were able to baptize six brothers that we discipled.
