

meet the CANOS

PANAMA

their story

Luis was raised by separated parents. In 1986, when Luis was 12, a pastor visited his house and shared the Gospel with him. That day, Luis accepted Christ as his personal Savior. His involvement with Word of Life began in 1992 when he met missionaries from the organization.

Nedelka was also raised by separated parents. She grew up with her father and six brothers. In 1991, when Nedelka was 11, her older brother shared the Gospel with her and she received Christ.

Luis and Nedelka were married in 1997. In 2003, God led them to the Word of Life Institute in Argentina, where they studied for three years, getting grounded in Scripture, training for ministry, growing in their faith, and enriching their marriage.

In December of 2006, the Canos returned to Panama to serve God with Word of Life. The focus of their ministry is evangelism, discipleship, and leading Bible clubs and camps.

In 2013 they took in two girls, Marcia and Janeth, from ANA Panama's transition home. The arrangement was originally temporary, but the following year Luis and Nedelka committed to adopting the girls.

Marcia is in her second year of college and hopes to get Bible training after graduation. Janeth is in high school.

recent prayer requests

Praises:

We want to share with you that we are already living in the west of the city. This would be between the office in the city and the Word of Life camp.

We are happy to be able to already experience what we had been praying for several years. We are not yet in our own home, but we are renting. Next year our house will be ready.

The girls are the most excited and our dog the most scared by change.

We have already been able to share our home with some families.

We want to thank God for his faithfulness and mercy.

We thank God because they approved our mortgage loan and we have already selected our house for the next year.

We thank God that we were able to temporarily move west.
