D & L

THAILAND

**PSEUDONYMS FOR
REASONS OF SAFETY**

their story

D and L were both influenced by the churches they grew up in as they learned about how the Lord was working in the nations. They both have great memories of the Global Outreach weeks at their respective churches and hearing from different Global Workers. During these early years the Lord planted seeds in their hearts with a desire to serve overseas.

A few months into their first semester at Liberty University, they got to know each other and discussed how they wanted to serve the Lord in the future. After praying for months, they both felt called to reach the unreached. They both decided that nothing was more important to them than serving the Lord. They soon began the process of praying over the 10/40 window and the unreached areas within. Through this time, God revealed that Thailand was where He wanted them to go.

The first 12-24 months on the field will be dedicated solely to learning the heart language of the people of Thailand (Thai). Following this, they will still be improving their Thai language skills while focusing on church planting. They will spend their time engaging in discipleship and evangelism with the goal of seeing indigenous, Christ-centered churches naturally reproduce.

The Bible Chapel has partnered with this couple since the summer of 2023.

NOVEMBER 2023

PRAISE

- ❖ They praise God that they had a great finish to their time in the Philippines and were able to successfully hand over ministry responsibilities.
- ❖ Praise God the conference in North Carolina was very encouraging. They were able to connect with many members of the church and share about their ministry.
- ❖ They praise God for safe travels to the USA and a wonderful time with both of their families after the conference.

PRAYER

- Pray that their marriage certificate will be processed before November 23rd. It is currently being authenticated in the US and is anticipated to be finished in January. If it is not ready by the 23rd, they will have to find someone who is coming to Thailand before January to hand deliver the documents.
- Pray that their language school details will be finalized soon and for continued excitement for learning the language.
- Pray for safe travels and a smooth adjustment to life in Thailand.
- Pray for their ministry plans after language school. Over the next year, they will be visiting different cities and villages to find their future ministry location. They will also be searching for creative ways to build relationships or meet needs in their community which can lead to gospel conversations.
- Their mission organization in Thailand has had veteran workers lead the field for the past decade. As these leaders transition into retirement in the next year, please pray that God will raise up new leaders to move the area forward.
