their story

Ken and Carolyn met when Ken was serving as a youth pastor and Carolyn became involved in that church's young adult group. They married, and then went to Costa Rica in 1996 for a year of language school. In 1997, they went to serve in Madrid, Spain, and have been obedient to God's calling on their lives ever since. It is a difficult ministry field since Spain is believed to be the most secular nation in Europe.

In 2000, God led them to move to Guadalajara to join a church planting team in that province. They started with a small Bible study with eight members, and now hold their church services in rented office space because the congregation outgrew their home. Federico and Lucia began partnering with them in ministry in 2009. Fede had been one of Ken's students at the SEFOVAN Seminary, where Ken has taught part-time since 2001.

Ken and Carolyn also minister through an English reading club and aerobics class, Apples of Gold, a children's group, and sports programs. The focus of their ministry is church planting through friendship evangelism of those who don't know the Lord, and teaching and discipling those in the church.

Ken and Carolyn have four grown children, some of them are married, and all of them live in the U. S. and they have an ever increasing number of grandchildren.
