ENGLAND

her story

Sami Vogeler began attending The Bible Chapel at the age of 10 and was actively involved in many areas in Student and College Ministries. She was greatly impacted on her first mission trip to Panama in 2014, where she first developed a love for missions. Her second trip to Panama in 2016 had a lifelong impact on her. After high school, Sami attended Cosmetology school and began working in the hair industry. She felt something was missing and wanted to develop her faith and learn how to share Christ through her vocation. So, in 2018, she signed up for a three-month Creatives Internship with YWAM (Youth With A Mission) Radiant in London, followed by a five-month DTS (Discipleship Training School). This began her missionary journey.

YWAM is an international organization founded in 1960 that has teams in over 180 countries. YWAM's goal is to "Know God and Make Him Known" through evangelism, training, and ministry. In 2019, Sami joined YWAM London Radiant as a member of staff, initially as a hair stylist, and helping to launch Think+ Coffee and Ink, a non-profit initiative that serves as a hub for outreach to the community of Camden. Although she still manages the hair salon at Think+, doing hair and helping to train interns, her responsibilities have grown to include Base administration.

Internship School Leader, Young Adults Ministry Leadership Team, a member of Arise Ministry, and many other areas of service within the YWAM Base and their church plant, Hope and Anchor Church.

The Bible Chapel has partnered with Sami since the Summer of 2023.

PRAISE

- ❖ My residency has been fully funded! I can't wait to continue serving and doing ministry here in the UK as an official resident. I will complete my application process in late February and would appreciate prayers as I do this.
- ❖ I'm engaged! I'm so happy to share that Jetson and I are now engaged and have begun the wedding planning with an aim for a ceremony next May.
- ❖ Our Young Adults ministry has continued to grow and multiply and it has been an incredibly journey. We are thankful for what these past months have done and how our young adults have grown and matured in their relationship with God.
- ❖ Renovations of the new community workspace has been going so well! I was able to spend time there plastering, painting, and working on other things in the space with the team.
- ❖ We are continuing evangelism in the Notting Hill area on Portobello Market. My friend and I had the opportunity to pray for 3 people and have incredible conversations with others

PRAYER

- Jetson and I have started the process of planning a wedding and getting married. We are excited, and we also know the challenges we may face throughout it. We ask for prayers that we can be faithful and wise in how we move and plan this next step. We also pray for the financial support to plan this big day! We are blessed with the opportunity to share our day with friends and family, but to make it happen we are raising money to achieve this.
- Christmas is coming up and we are doing a number of different things we are working on to reach the community. From a Christmas party for underprivileged children to Christmas services and more. It's a great time of year but also can be tiring with so many events. Prayers that we are able to embrace the season and continue with faithfulness and joy!
