Robin Sweitzer

HER STORY

Robin was raised in New Castle, PA and has attended The Bible Chapel since 2008. The Lord had been drawing Robin into ministry with orphans and vulnerable children for many years. This passion was kindled during a college internship at an orphanage in Romania in 1997. Robin has degrees in Bible and Missions and a Master's degree in Applied Developmental Psychology. She was a leader in The Bible Chapel's Foster Care and Adoption Ministry and worked full-time with young children with developmental delays. She also traveled internationally on many occasions to support the work of children's ministries in various countries.

Starting in January 2017, Robin served for two years in Kenya with Kids Alive International, transferring to KAI's ministry in the Dominican Republic in 2020. In 2024, God called Robin to partner with The King's Kids, RD, a grassroots Christian ministry in the Piedra Blanca community of Jarabacoa. Partnering with Fellowship International Mission, Robin's ministry is to educate, equip and transform the lives of underprivileged children through the gospel of Jesus Christ. Robin would like to see change in the community-- families lifted out of poverty and transformed by the life-changing of the gospel of Christ. Robin and the King's Kids RD envision the students becoming productive Christian leaders in their families and communities.

Visitors from Pittsburgh!

- We are grateful for the team from The Bible Chapel who came to the mountains of Jarabacoa to preach the good news to children and families! The team was with us all week, helping in the ministry of The King's Kids. In the mornings, the ladies prepared lessons and activities for our rambunctious preschoolers while the men painted the outside of the church where we meet. The afternoons were spent with the children in the after-school program, where TBC conducted a Vacation Bible School with Bible lessons, fun craft activities and outdoor sports! Wednesday was a holiday, so the entire team spent the day in the community meeting children and families, as well as painting 2 houses. They were also able to visit the piece of land that we would like to purchase and pray over it that God's will be done concerning the future of the ministry.
