Robin Sweitzer

HER STORY

Robin was raised in New Castle, PA and has attended The Bible Chapel since 2008. The Lord had been drawing Robin into ministry with orphans and vulnerable children for many years. This passion was kindled during a college internship at an orphanage in Romania in 1997. Robin has degrees in Bible and Missions and a Master's degree in Applied Developmental Psychology. She was a leader in The Bible Chapel's Foster Care and Adoption Ministry and worked full-time with young children with developmental delays. She also traveled internationally on many occasions to support the work of children's ministries in various countries.

Starting in January 2017, Robin served for two years in Kenya with Kids Alive International, transferring to KAI's ministry in the Dominican Republic in 2020. In 2024, God called Robin to partner with The King's Kids, RD, a grassroots Christian ministry in the Piedra Blanca community of Jarabacoa. Partnering with Fellowship International Mission, Robin's ministry is to educate, equip and transform the lives of underprivileged children through the gospel of Jesus Christ. Robin would like to see change in the community-- families lifted out of poverty and transformed by the life-changing of the gospel of Christ. Robin and the King's Kids RD envision the students becoming productive Christian leaders in their families and communities.

PRAISE

- Praise for good attendance and continued learning in the morning preschool classes. They are able to speak more and more Spanish every week!
- Praise for The King's Kids Bible Club on Thursdays for 7-13 year olds. More kids are attending and learning that God loves them.
- Praise for memories made with friends this month. I attended the wedding of a friend and fellow missionary and enjoyed a visit from a US friend.

PRAYER

- Pray as we are pursuing funding options to purchase land and begin construction on our own building.
- Pray for my nieces. They recently lost a childhood friend from church to suicide. Pray that they will see their need for Christ.
- Pray for my health as I have been dealing with some back and shoulder pain this month. Praise that PT seems to be improving things.
