## THEIR STORY

Sami Vogeler began attending The Bible Chapel at the age of 10 and was actively involved in many areas in Student and College Ministries. **She was greatly impacted on her first mission trip to Panama in 2014, where she first developed a love for missions.** Her second trip to Panama in 2016 had a lifelong impact on her. After high school, Sami attended Cosmetology school and began working in the hair industry. She felt something was missing and wanted to develop her faith and learn how to share Christ through her vocation. So, in 2018, she signed up for a three-month Creatives Internship with YWAM (*Youth With A Mission*) Radiant in London, followed by a five-month DTS (*Discipleship Training School*). This began her missionary journey. Sami met Jetson in 2018 where they did their DTS together. **Jetson loves God and the arts and has been passionate about missions since joining the London team.** Sami and Jetson got married in May of 2024 and are continuing their ministries and missions together.

In 2023, they joined as full time volunteer staff with Hope and Anchor Community Church (*a church they have been a part of since coming to London*). This church also partners with their arts charity, One UK. Through these two charities they have continued their ministries in London and have grown in responsibilities and leadership. Sami joined initially as a hair stylist for the church's salon, Think+ coffee and ink, a non-profit initiative that serves as a hub for outreach to the community of Camden. She still helps to manage the salon, but has also grown in responsibilities with the base administration and helping to lead the church's young adults ministry alongside Jetson and some others. Jetson's other roles include the media ministry, graphic design ministry, worship team, and leading the evangelism outreach ministry.

**The Bible Chapel has partnered with Sami since the Summer of 2023.**

## PRAYER

- Jetson is studying and working hard to prepare for his Life in the UK exam next week. We pray for a Godly wisdom to come over him as he takes this test and peace throughout. This process is long and tedious, but having the test passed will be a huge weight lifted off his shoulders. Please join us in prayer and lift him up all this week and into early next week when he takes his test!
- Sami was able to join a World Team Europe call. This gave her the chance to hear from dozens of teams around Europe and their ministries. It is so encouraging to see how God is moving around the world. Not only that, but being encouraged by everyone as the UK team is being planted here. We will be joined soon by some new World Team members and some members that we already have been getting to know. It is a new season and one we didn't fully expect, but also one where we are excited to see God move as He so clearly has a plan.
- We also ask for prayer for us as a couple. God has been speaking to us about shifting seasons and stepping into new things He is calling us toward. One major change is Sami stepping down from the hair ministry—a ministry she has lived and breathed for almost 10 years. It has not only been a way to serve practically but also a place of deep relationship-building with so many wonderful clients. This will be a significant transition, but we see God's hand clearly guiding it. Please pray for grace and peace throughout this shift, and for Sami as she begins sharing the news with her clients and friends.
