

MEET

The Woodleys

THEIR STORY

Sami Vogeler began attending The Bible Chapel at the age of 10 and was actively involved in many areas in Student and College Ministries. **She was greatly impacted on her first mission trip to Panama in 2014, where she first developed a love for missions.** Her second trip to Panama in 2016 had a lifelong impact on her. After high school, Sami attended Cosmetology school and began working in the hair industry. She felt something was missing and wanted to develop her faith and learn how to share Christ through her vocation. So, in 2018, she signed up for a three-month Creatives Internship with YWAM (*Youth With A Mission*) Radiant in London, followed by a five-month DTS (*Discipleship Training School*). This began her missionary journey. Sami met Jetson in 2018 where they did their DTS together. **Jetson loves God and the arts and has been passionate about missions since joining the London team.** Sami and Jetson got married in May of 2024 and are continuing their ministries and missions together.

In 2023, they joined as full time volunteer staff with Hope and Anchor Community Church (*a church they have been a part of since coming to London*). This church also partners with their arts charity, One UK. Through these two charities they have continued their ministries in London and have grown in responsibilities and leadership. Sami joined initially as a hair stylist for the church's salon, Think+ coffee and ink, a non-profit initiative that serves as a hub for outreach to the community of Camden. She still helps to manage the salon, but has also grown in responsibilities with the base administration and helping to lead the church's young adults ministry alongside Jetson and some others. Jetson's other roles include the media ministry, graphic design ministry, worship team, and leading the evangelism outreach ministry.

The Bible Chapel has partnered with Sami since the Summer of 2023.

July 2026

PRAYER

- We ask for prayers for Jetson's grandmother. She was diagnosed with cancer in the past two months, and it has quickly progressed. We were able to see her in the hospital while we visited, which we are so thankful for. She is a prayer warrior and loves Jesus with all her being. If there is any encouragement you have, please do send it and we can pass it along to her.
- We ask for prayers for World Team and their planting here in London. It has been a great joy to get to know Susan and Don through their moving here. There are a few couples in the process of joining the team here in the UK but they are raising funds and needing visas. This is a hard process and complicated, and often where one can be discouraged. Please pray that they will stand firm in faith that God is bigger than a visa!
- Jetson will be starting a course called Al Massira. This is a course where those taking a journey from Muslim beliefs can learn about God and what it is to walk a Christian faith. Please keep him in your prayers through this!
- Sami is beginning to research grants and funding to help aid the building works for the World Team building. Please be praying for the right doors to open and the wrong doors to close so the direction can be clear.
- Sami will be applying for her citizenship in a few months! Please keep us in your prayers as we save up the finances for this as well as the application process. This is a huge victory and the final step in an 8 year journey.
- Thank you for standing with us in prayer and encouragement during this season of change. We appreciate you more than you know and are thankful to have our prayer teams back home supporting us!
- What an incredible summer it has been! Thank you to everyone who prayed for our trip to Canada. It had been a long time since we had spent time with family and this was so refreshing and fulfilling to us. We left knowing more about one another and where God is taking us.
