

THE
**BIBLE
CHAPEL**

NOTIFICATION INSTRUCTIONS

To turn on notifications in the **Bible Chapel app**

- Click on the three lines in the upper left corner.
- Click Settings.
- Click Notifications and slide the button on.

To manage notifications on an **iPhone**

- Go to Settings and tap Notifications.
- Select an app under Notification Style.
- Under Alerts, choose the alert style that you want. If you turn on Allow Notifications, choose when you want the notifications delivered—
immediately or in the scheduled notification summary.

To manage notifications on an **Android phone**

- Open your phone's Settings app.
- Tap Notifications and then Notifications on the lock screen.
- Choose your phone's notification defaults
- To update more notification preferences, under "General," turn notifications on or off
