

PRAY WITH US

The prayers, gifts and work of many can make tremendous tasks possible!

Please join us in prayer over the coming months for the following:

Praise Him for the **NEW MINISTRY OPPORTUNITIES** Through Reach 2023

- Extended longevity of ministry at SH Campus (Roof, Lobby & Worship Center upgrades)
 - Created more engaging environments to draw younger generations & families to learn about Jesus (new SH Indoor Playground & Children's Lobby upgrades)
- Expanded community outreach (i.e., new sport open gyms) & saw continued Upwards engagement (~700 kids/50% unchurched), utilizing the new SH FLC Gym Floor
 - Enabled ministry around the globe with special focus in Panama, Thailand & Kenya
- Paid down debt significantly to be more available to whatever God calls us into next

Pray That We Could **FINISH 60 YEARS STRONG** with Reach 2023

- May His word continue to remind all of us that our time, talents, and treasures are gifts given to us – by Him and for Him – to steward all for His glory
 - May He direct us each individually in how we might contribute through prayer and/or giving for the remaining financial goals of Reach 2023

Pray for **WISDOM & GUIDANCE** As We Discern A Future Campaign

Pray that the Lord would – through the prayers and discernment of our congregation and Elders – confirm or redirect our vision for a future Reach Campaign

Pray for the Needs in Our **COMMUNITIES**

Pray for the next generation and the impact we could have there, as well as each Campus community we serve (Robinson, Rostraver, South Hills, Washington, Wilkinsburg)

Pray for the Needs in Our **CITY**

Pray that the lost in our city are reached for Christ, for direction in our church planting a new Campus, and for guidance in equipping our congregation to be a light for Christ

Pray for the Needs in Our **WORLD**

Pray for the Pastors nationally and globally who are lacking training and support, and how we – as a church and individually – can support God's Big "C" Church and our Global Ministry partners and their ministries all over the world
