Small Groups at TBC

Our vision is to build gospel-centered Small Groups where people are growing in relationship with God and others.

OUR MODEL

We offer two types of Small Groups at The Bible Chapel:

Community Groups

Relationship-building Groups

These are your easy on-ramp to finding community at TBC. Members grow spiritually by working out how to apply the weekend sermon to our lives through five discussion questions, prayer & encouragement.

Core Groups

Discipleship-focused Groups

Find others looking to "go and grow" deeper in a Core Group at TBC. With a discipleship focus, Core Group members will pursue spiritual transformation as they venture through biblically rich curriculum.

HOW THEY ARE THE SAME

These three same basic principles apply to both Community & Core Groups:

- 1 Each group is made up of approximately 4-12 people
- 2 Members of the group come together to grow in their relationship with God and others
- All groups live out our five values of Word, Worship, Connect, Serve and Share in community

HOW THEY ARE DIFFERENT

Community & Core Groups differ in two key aspects – 1) content 2) commitment:

- Community Groups use five discussion questions based on the weekend sermon Core Groups use a variety of biblically rich curriculum vetted by a Pastor and/or Elder
- Community Groups (with less than 12 members) are open to join throughout the year Core Groups are closed for one year and new groups will launch each Fall

Why Small Groups?

We desire to see you grow in relationship with God and others. Additionally, see below our "ABC" response to this question:

AUTHENTIC COMMUNITY

- · To foster greater connection, care and unity amongst our church family
- · We see the early church demonstrated life-on-life community
- To help us combat the enemy's attempts to isolate and destroy us

See Acts 2:42-47, John 17:20-21, Ecclesiastes 4:9-12

BIBLICALLY BASED MODEL

- To be in community the way God intended it and displays it throughout the Old and New Testament
- To follow Jesus's example (12 disciples and closer inner circle of a few)
- There are 50+ "one another" passages in Scripture

See Numbers 2:2; Numbers 2:34; Joshua 7:14; Proverbs 27:17

CULTIVATE DISCIPLES

- It helps us to achieve our mission to develop followers of Jesus
- To be obedient to Jesus' command to disciple others Small Groups are a catalyst for disciple-making and growth, not a clique
- To pursue spiritual transformation and help others towards it

See Matthew 28:18-20; 1 Corinthians 11:1; 2 Timothy 2:2
