

January 26-28

A three day, two night
retreat at Kalahari Resort
in Sandusky, Ohio where
students grow in their
relationship with others
and God.

THEME

Our world offers a lot of opinions and perspectives about Jesus. Often these perspectives are a skewed version of the real Jesus, which leaves us with an unclear view. Our perspective of Jesus has become **FADED** and our perspective of reality is faded because of it. Join us as we journey to secure a clear view of the real Jesus and gain a clearer perspective of our reality.
